

Modern Art History

Objective:

1. Research various modern art movements.
2. Use one of the art movements as inspiration for your own creations. Experiment with a variety of tools in Photoshop and/or Art Rage.

Instructions:

1. Make a new page on your weebly website, and label it Art History.
2. Research the list of art movements using at least two online websites. Here is one website, <http://www.artcyclopedia.com/>. You will need to find another website.
3. Write a brief description of the important elements of the art movement. DO NOT COPY AND PASTE. You must rephrase the information you read. List one artist affiliated with the art movement. Upload one of that artist's paintings/art work.

Art Movements

Dada

Art Nouveau

Abstract Expressionism

German Expressionism

Op Art

Pop Art

4. Choose one of the art movements to use as inspiration for your own art. Experiment with tools and brushes in Photoshop or Art Rage to create your art. You should create at least two different pieces of art. Post and publish finished work on your weebly website.
